### 22<sup>nd</sup> April – Earth Day

What is Earth Day?

**Earth Day** is an annual event dedicated to raising awareness and inspiring action to tackle the various environmental challenges facing our planet. This day is also a time to celebrate those who have done a lot to help the environment.

Over 193 countries celebrate Earth Day around the globe, with more people getting involved every year. In many places, Earth Day forms part of Earth Week, which is a longer period of climate awareness that includes activities and campaigns.
