

Knowledge is power...

Knowledge

We want our children to...

Have a deep commitment to learning and retain their thirst for knowledge leaving school each day wiser than when they arrived.

I can and I will...

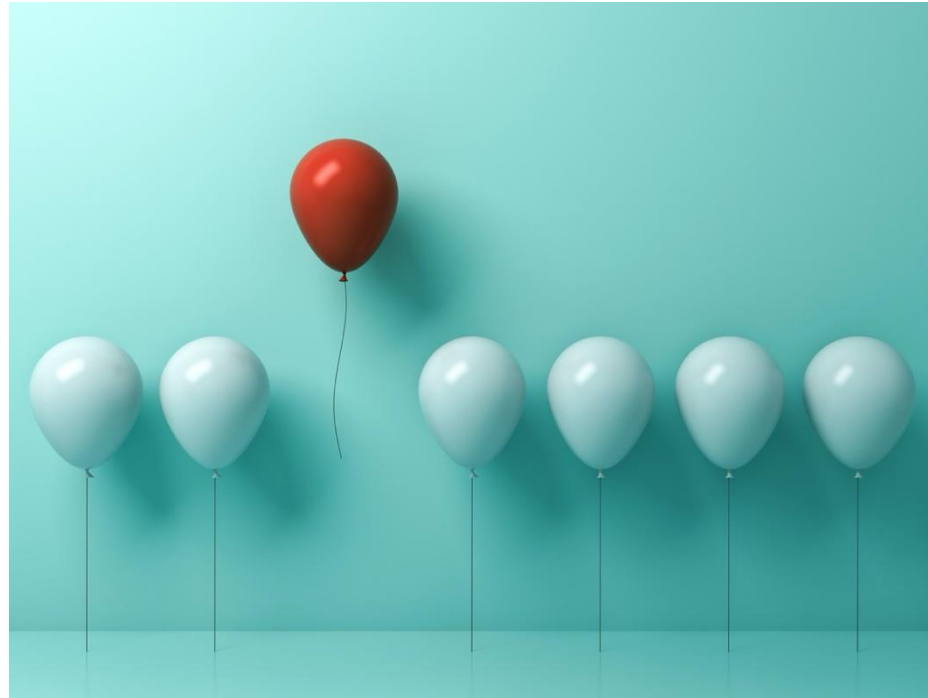

Resilience

We want our children to...

Demonstrate self-discipline,
resilience and confidence in
order to embrace and
persevere with challenges
regardless of outcome.

I stand tall...

Individuality

We want our children to...

Follow their individual chosen path by standing tall and being comfortable in their own skin whilst embracing and celebrating their unique virtues and qualities.

It's a wonderful world...

Global Citizen

We want our children to...

Be self-aware individuals proud of their unique heritage whilst being informed citizens of the world with a respectful compassion for all.

I will play my part...

Potential

We want our children to...

Live a happy and fulfilling life in which they demonstrate a commendable work ethic striving to be the best version of themselves and become responsible citizens who play a positive role in modern day society.
